

Welcome

to the Fit for the Future Project!

We're excited to share the very first edition of our newsletter with you! "Fit for the Future" is an Erasmus+ project that brings together eight organisations from seven countries to **promote inclusion, diversity, and sustainability in vocational education and training (VET)**.

Our goal? To **help VET organisations become more inclusive and forward-thinking by providing tools, training, and practical resources for regenerative leadership and systemic thinking.**

Project Highlights

A Dynamic Kick-Off in France!

On February 13, 2025, partners gathered in Bastia, France for the project's Kick-Off Meeting. Hosted by BGE Ile Conseil, this meeting marked the official start of the F4F journey.

What Are We Working On?

We're kicking off the development of the project's main results:

- **Self-assessment tool:** to help VET organisations reflect on their practices around inclusion, diversity, and leadership through:
 - **Case study database:** comprising of good practices, and lessons learned from different organisations verified by interviews with leaders.
- **Training programme:** workshops and tools for leaders and staff in VET.
- **Open Educational Resource (OER) platform:** where everything will be freely available.
- **Awareness campaign:** helping raise visibility around equity, inclusion, and regeneration.

Who Is Fit For The Future For?

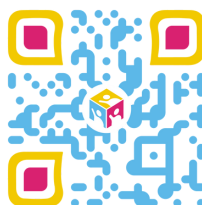

We're reaching out to:

- Managers, trainers, and staff in VET organisations
- HR professionals, team leaders, educators
- Young people entering the workforce
- People from diverse or underrepresented backgrounds
- SMEs, NGOs, public authorities, and networks supporting inclusion
